### Section 600.320 Scales Used for the Enforcement of Highway Weight Laws

The following procedures will be used to determine the certification of scales used for the enforcement of highway weight laws. These procedures will determine if a scale(s) is to be certified or condemned. These rules supersede those published in the National Institute of Standards and Technology's Handbook 44.

- a) An increasing load test consisting of at least 20,000 pounds of known test weight shall be conducted on all scales. A minimum of two known test weight loads shall be applied, normally at the capacity of test weight load and another at one half capacity of the test weight load to each scale.
- b) One decreasing load test shall be conducted at 12,000 pounds of known test weight to 9,000 pounds of known test weight. If multiple scales are used in combination, a decreasing load test shall be performed on at least one scale.
- c) A minimum build up or strain load test shall be conducted as follows:
  - 1) wheel load and portable axle load scales - 20,000 10,000 pounds
  - 2) wheel load and portable axle load scales used in pairs - 20,000 pounds
- 3) permanently installed axle load scales - 20,000 pounds
- 4) all other scales - 40,000 pounds
- d) At least one repeatability test shall be conducted at 12,000 pounds. Any errors found shall agree within the absolute value of the maintenance tolerance for that load, and shall be within applicable tolerance.
- e) The tolerances to each of the above tests shall be those listed in the scale code of the latest edition of the National Institute of Standards and Technology's Handbook 44.
- f) All new scales and associated equipment must have a certificate of conformance issued by the National Type Evaluation Program.
- g) Electronic indicating elements equipped with recording elements shall be equipped with effective means to permit the recording of weight values only when the indication is stable within plus or minus three scale divisions.
- h) The maximum scale division shall be 100 pounds.
- i) For axle, portable axle, and wheel load weigher scales, a vehicle must be in a reasonably level condition at the time the weight is being determined. Reasonably level means the vehicle must remain stationary during weighing without the use of any external braking force.
- j) For all other scales used to determine the weight of axles when part of the truck is not resting on a scale, the vehicle must be in a reasonably level condition at the time the weight is being determined.

**SOURCE:** Adopted at 13 Ill. Reg. 2051, effective February 10, 1989; repealed at 19 Ill. Reg. \_\_\_\_\_, effective \_\_\_\_\_.

**Section 601.10 Purpose and Scope**

The purpose of this Part is to improve the Illinois Insurance Department's ability to monitor the financial condition of foreign and alien insurers by requiring an annual examination by independent certified public accountants of the financial statements reporting the financial condition and the results of operations of insurers. This Part shall apply to foreign and alien insurers except those insurers exempt under Section 601.120 of this Part. This Part shall not prohibit, preclude or in any way limit the Director of Insurance from ordering and/or conducting and/or performing examinations of insurers under the Illinois Insurance Code (Ill. Rev. Stat. 1987, ch. 73, par. 613 et seq.) or 50 Ill. Adm. Code: Chapter I.

**Section 601.20 Definitions**

"Accountant", "Certified Public Accountant (CPA)" and "Independent Public Accountant" means an independent certified public accountant or

accounting firm who has a license to practice issued by the state in which he resides or has his principal place of business. For purposes of this Part, "independent" means not affiliated with an insurer.

"Audited Financial Report" means and includes those items specified in Section 601.40 of this Part.

"Director" means the Director of the Illinois Department of Insurance.

"Insurer" means a foreign or alien insurance company as determined by Section 2(g) and (h) of the Illinois Insurance Code (Ill. Rev. Stat. 1987, ch. 73, par. 614 (g) and (h)) with the exception of alien Lloyds companies.

"Workpapers" are the records kept by the independent certified public accountant of the procedures followed. The workpapers include the information and the conclusions reached pertinent to his examination of the financial statements of an insurer. Workpapers, accordingly, may include work programs, analyses, memoranda, letters of confirmation and representation, abstracts of company documents and schedules or commentaries prepared or obtained by the independent certified public accountant in the course of his examination of the financial statements of an insurer and which support his opinion thereon.

**Section 601.30 Filing and Extensions for Filing of Annual Audited Financial Reports**

- All foreign and alien insurers shall have an annual audit by an independent certified public accountant and shall file an audited financial report with the Director on or before June 30 for the year ended December 31 immediately preceding.
- Extensions of the June 30 filing date may be granted by the Director for thirty day periods upon showing by the insurer and its independent certified public accountant the reasons for requesting such extension and determination by the Director of good cause for an extension. Examples of "good cause" include, but are not limited to, loss of key personnel, an Act of God, destruction of documents. The request for extension must be submitted in writing not less than ten days prior to the due date in sufficient detail to permit the Director to make an informed decision with respect to the requested extension.

**Section 601.40 Contents of Annual Audited Financial Report**

- The Annual Audited Financial Report shall report the financial condition of the insurer as of the end of the most recent calendar year and the results of its operation, cash flow statement and changes in capital and surplus for the year ended in conformity with statutory

accounting practices for preparation of the annual statement as described in Section 136 of the Illinois Insurance Code (Ill. Rev. Stat. 1987, ch. 73, par. 748).

b) The Annual Audited Financial Report shall include the following:

- 1) Report of independent certified public accountant; and
- 2) Balance sheet reporting admitted assets, liabilities, capital and surplus; and
- 3) Statement of gain or loss from operations; and
- 4) Cash flow statement; and
- 5) Statement of changes in capital and surplus; and
- 6) Notes to financial statements. These notes shall include:
  - A) A reconciliation of differences, if any, between the audited statutory financial statements and the Annual Statement filed pursuant to Section 136 of the Illinois Insurance Code with a written description of the nature of these differences; and
  - B) A narrative explanation of all significant inter-company transactions and balances; and
- 7) The financial statements included in the Audited Financial Report shall be prepared in a form using language and groupings substantially the same as the relevant Sections of the Annual Statement of the insurer filed with the Director.

A) The financial statements shall be comparative, presenting the amounts as of December 31 of the current year and the amounts as of the immediately preceding December 31. However, in the first year in which an insurer is required to file an audited financial report, the comparative data may be omitted.

B) Amounts may be rounded to the nearest thousand dollars.

**Section 601.50 Designation of Independent Certified Public Accountant**

a) Each insurer required by this Part to file an annual Audited Financial Report must within sixty days after becoming subject to such requirement, register with the Director in writing the name and address of the certified public accountant or accounting firm (generally referred to in this Part as the "accountant") retained to conduct the annual audit set forth in this Part. Insurers not retaining an independent certified public accountant on the effective date of this Part shall register the name and address of their retained certified public accountant not less than six months before the date when the first annual audited financial report is to be filed.

b) The insurer shall obtain a letter from such accountant, and file a copy with the Director stating that the accountant is aware of the provisions of the Illinois Insurance Code and the Regulations of the Insurance Department of the state of domicile that relate to accounting and financial matters and affirming that he will express

his opinion on the financial statements in terms of their conformity to the statutory accounting practices prescribed or otherwise permitted by that Department, specifying such exceptions as he may believe appropriate.

c) If an accountant who was not the accountant for the immediately preceding filed Audited Financial Report is engaged to audit the insurer's financial statements, the insurer shall within thirty days of the date the accountant is engaged notify the Department of this event. The insurer shall also furnish the Director with a separate letter stating whether in the twenty-four months preceding such engagement there were any disagreements with the former accountant, on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, not resolved to the satisfaction of the former accountant, would have caused him to make reference to the subject matter of the disagreement in connection with his opinion. The insurer shall also in writing request such former accountant to furnish a letter addressed to the insurer stating whether the accountant agrees with the statements contained in the insurer's letter and, if not, stating the reasons for which he does not agree; and the insurer shall furnish such responsive letter from the former accountant to the Director together with its own.

**Section 601.60 Qualifications of Independent Certified Public Accountant**

a) The Director shall not recognize any person as an independent certified public accountant who does not meet the requirements for the definition of "Accountant" under Section 601.20 of this Part.

b) The Director of Insurance, as provided in Section 401 of the Illinois Insurance Code (Ill. Rev. Stat. 1987, ch. 73, par. 1013), may, as provided in 50 Ill. Adm. Code 2402, hold a hearing to determine whether a certified public accountant is independent and, considering the evidence presented, may rule that the accountant is not independent for purposes of expressing his opinion on the financial statements in the Annual Audited Financial Report made pursuant to this Part and require the insurer to replace the accountant with another whose relationship with the insurer is independent within the meaning of this Part.

**Section 601.70 Consolidated or Combined Audits**

a) The Director may, upon written application, permit any insurer that is a member of an insurance holding company system to file audited consolidated or combined financial statements in lieu of separate annual audited financial statements if the Director in his discretion deems such permission reasonable and appropriate. Consolidated or combined filings will be considered reasonable and appropriate if the Director determines that the audit work performed under a consolidated

- 2) Amounts for each insurer subject to this Section shall be stated separately.
- 3) Noninsurance operations may be shown on the worksheet on a combined or individual basis.
- 4) Explanations of consolidating and eliminating entries shall be included.
- 5) A reconciliation shall be included of any differences between the amounts shown in the individual insurer columns of the worksheet and comparable amounts shown on the Annual Statements of the insureds.
- b) The Director shall require any insurer to file separate annual audited financial statements although permission had previously been given to file on a consolidated or a combined basis if the Director determines the reasons and/or circumstances given for approval of the consolidated audit, pursuant to subsection (a), no longer exists.

#### Section 601.80 Scope and Examination and Report of Independent Certified Public Accountant

Financial statements furnished pursuant to Section 601.40 shall be examined by an independent certified public accountant. The examination of the insurer's financial statements shall be conducted in accordance with generally accepted auditing standards and such other procedures illustrated in the Examiner's Handbook promulgated by the National Association of Insurance Commissioners, July 8, 1988 (no later amendments or editions), as the independent certified public accountant deems necessary.

#### Section 601.90 Notification of Adverse Financial Condition

- a) The insurer required to furnish the Annual Audited Financial Report shall require the independent certified public accountant to immediately notify in writing an executive officer and all directors of the insurer of any determination by that independent certified public accountant that the insurer has materially misstated its financial condition as reported to the Director as of the balance sheet date currently under examination or that the insurer does not meet the minimum capital and surplus requirements, as set out in Section 111(d) of the Illinois Insurance Code (Ill. Rev. Stat. 1987, ch. 73, par. 723(d)). The insurer shall furnish such notification to the Director within five days of receipt thereof.

- b) If the accountant, subsequent to the date of the Audited Financial Report filed pursuant to this Part, becomes aware of acts which might

have affected his report, the Department notes the obligation of the accountant to take such action as prescribed in Volume 1, Section AU 561 of the Professional Standards of the American Institute of Certified Public Accountants as of June 1, 1987, with no later amendments or editions.

#### Section 601.100 Evaluation of Accounting Procedures and System of Internal Control

- a) In addition to the Annual Audited Financial Report, each insurer shall furnish the Director with a report of evaluation performed by the accountant, in connection with his examination, of the accounting procedures of the insurer and its system of internal control.
- b) A report of the evaluation by the accountant of the accounting procedures of the insurer and its system of internal control, including any remedial action taken or proposed, shall be filed annually by the insurer with the Department within sixty days after the filing of the Annual Audited Financial Report.
- c) This report shall follow generally the form for Report of Internal Control Based on Audits described in Volume 1, Section AU 642 of the Professional Standards of the American Institute of Certified Public Accountants as of June 1, 1987, with no later amendments or editions.

#### Section 601.110 Availability and Maintenance of Certified Public Accountant Workpapers

- a) Every foreign and alien insurer required to file an Audited Financial Report pursuant to this Part shall require the accountant, through the insurer, to make available for review by the Department examiners, the workpapers prepared in the conduct of his examination. The insurer shall require that the accountant retain the audit workpapers for a period of not less than five years after the period reported thereon.
- b) In the conduct of the aforementioned periodic review by the Department examiners, photocopies of pertinent audit workpapers may be made and retained by the Department. Such reviews by the Department examiners shall be considered investigations and all working papers obtained during the course of such investigations shall be confidential.

#### Section 601.120 Exemptions

- a) Upon written application of an insurer, the Director shall grant an exemption from compliance with this Part if the Director finds upon review of the application, that one or more of the following grounds for exemption exist:
  - 1) The insurer has direct premiums written in Illinois of less than \$250,000 and has less than 500 policyholders in Illinois as of the end of the most recent calendar year. An exemption under this subsection shall not be granted if the Director specifically

finds that compliance with this Part is necessary for the Director to carry out his statutory duties.

- 2) The insurer files audited financial reports on a statutory basis in another state pursuant to such other states' requirements. An exemption based on this subsection shall be granted only if:
  - A) A copy of the Audited Financial Report and the Evaluation of Accounting Procedures and Systems of Internal Control Report which are filed with such other state are filed with the Director in accordance with the filing dates respectively set forth in Sections 601.30 and 601.100 of this Part; and
  - B) A copy of any Notification of Adverse Financial Condition Report filed with such other state is filed with the Director within the time specified in Section 601.90 of this Part.

- b) Exemptions from this Part shall not exceed a period of one year. Insurers desiring to continue to be exempt from this Part must reapply for such exemption annually.

- c) Any decision of the Director under this Section shall be transmitted in writing to the insurer within thirty (30) days after determination. Some of these issues do not fall within the scope of Title 2 of the Illinois Administrative Code and must be adopted in conformance with the normal rulemaking procedures of the Illinois Administrative Procedure Act. This Part is being created to contain those rules.

The first rulemaking of this type relates to recent legislation that authorizes the Illinois Department of Revenue to adopt rules to authorize the filing of returns or other documents with the Department by facsimile. This rulemaking sets forth the circumstances under which the Department will request that taxpayers file returns or other documents by facsimile. The rule also requires that the original of any return or other document filed by facsimile must be retained by the taxpayer and is subject to the Department's right of audit.

- 6) Will this proposed rule replace an emergency rule currently in effect? No

TITLE 86: REVENUE  
CHAPTER I: DEPARTMENT OF REVENUE  
PART 800  
GENERAL RULES FOR ALL TAXES

Section  
800.1000 Introduction  
800.4000 Filing Returns and Other Documents by Facsimile

AUTHORITY: Implementing Section 39c-1b of the Civil Administrative Code of Illinois [20 ILCS 2505/39c-1b] and authorized by Section 39b19 of the Civil Administrative Code of Illinois [20 ILCS 2505/39b19].

SOURCE: Adopted at 19 Ill. Reg. \_\_\_\_\_, effective \_\_\_\_\_.

## Section 800.1000 Introduction.

There are a number of issues with respect to tax administration that are not related to any particular tax. Many of those provisions are contained in 2 Ill. Adm. Code 1200. However, there are a number of issues that apply generally to all taxes administered by the Illinois Department of Revenue (the "Department") that do not fall within the scope of Title 2 of the Illinois Administrative Code and, as a result, must be adopted in conformance with the normal rulemaking requirements of the Illinois Administrative Procedure Act (the "APA") [5 ILCS 100]. This Part codifies the rules of the Department that are not tax-specific.

## Section 800.4000 Filing Returns and Other Documents by Facsimile

- a) Consistent with rules adopted by the Department of Revenue, a person may transmit by facsimile, any return or document required to be filed with the Department under any Act administered by the Department. A signature on a return or other document filed in accordance with regulations promulgated by the Department and transmitted by facsimile is prima facie evidence for all purposes that the document was actually signed by the person whose signature appears on the facsimile. [20 ILCS 39c-1b]
- b) On certain rare occasions, circumstances will arise that will make it very difficult or impossible for the Department to receive returns or other documents from taxpayers within the normal time frames required by delivery through the postal service or other private mail service. On some of these occasions, taxpayers will also be unable to personally deliver the return or document to the Department. Therefore, upon request to the Department, taxpayers may submit a facsimile of any tax return or other document, by

## DEPARTMENT OF REVENUE

## NOTICE OF PROPOSED RULEMAKING

telefax or any other method of facsimile transmission authorized by the Department. In such cases, the original return or other tax document must be maintained by the taxpayer subject to the Department's right of audit. Such requests do not relieve taxpayers from requirements to file in the usual manner (paper, electronic, telefile, etc.) for other periods. There is, however, no limit on the number of times such permission can be granted.

- c) Taxpayers may only file returns or other documents by facsimile upon the request of the Department. The Department will not accept requests for permission to file returns or other documents by facsimile from any taxpayer or taxpayer representative. Any return or other document transmitted to the Department by facsimile for a reason other than upon Department request will not be accepted, and in the case of returns will be deemed to be non-filed and will subject the taxpayer to the penalty for non-filing set forth in Section 3-3 of the Uniform Penalty and Interest Act [35 ILCS 735/3-3].

The Department currently requires RR-3 sales tax accelerated payments and ST-1 return payments of those taxpayers over the statutory thresholds to be made by electronic funds transfer. Effective October 1, 1995, PST-1 and PST-3 return payments for those taxpayers over the statutory threshold will also be required to be made by electronic funds transfer. ## NOTICE OF PROPOSED AMENDMENTS

1) Heading of the Part: Property Tax Code

2) Code Citation: 86 Ill. Adm. Code 110

3) Section Numbers: Proposed Action:

110.195

New Section

4) Statutory Authority: 35 ILCS 200/15-172

5) A Complete Description of the Subjects and Issues Involved: Effective November 29, 1994, Public Act 88-669 created the Tax Freeze Homestead Exemption by adding Section 15-172 to the Property Tax Code. The application deadline for the exemption was December 1, 1994. Due to the two-day application period for 1994, eligible taxpayers did not have an adequate opportunity to avail themselves of this exemption. The Section was amended by Public Act 88-682 which changed the application date for the 1994 assessment year to February 15, 1995, in counties other than Cook and left the period to the discretion of the County Assessor in Cook County. The Department is required to promulgate a rule establishing a method for verifying affidavits which are part of the application for the exemption. Since applications are now being received by assessors, it is important that the rule be in place immediately.

6) Will this proposed rule replace an emergency rule currently in effect?  
Yes

7) Does this rulemaking contain an automatic repeal date? No

8) Does this proposed amendment contain incorporations by reference? No

9) Are there any other proposed amendments pending on this Part? No

10) Statement of Statewide Policy Objectives: This rulemaking does not impose a state mandate, nor does it affect any existing state mandates.

11) Time, Place and Manner in which interested persons may comment on this proposed rulemaking: Persons who wish to submit comments on this proposed rule may submit them in writing by no later than 45 days after publication of this notice to:

12) Initial Regulatory Flexibility Analysis:

A) Types of small businesses affected: None

B) Reporting, bookkeeping or other procedures required for compliance: The Chief County Assessment Officer is not required to use the verification procedures set forth in the rule, but if that officer chooses to use the procedures, he or she will be required to keep records of the verification and to apply the procedures uniformly to all applicants.

C) Types of professional skills necessary for compliance: Ability to analyze income tax returns if returns are required for verification. Understanding of the manner in which adjusted gross income is calculated for federal income tax purposes.

13) State the reason(s) for this rulemaking if it was not included in either of the two (2) most recent regulatory agendas: The statute was not yet in its final form. The upcoming regulatory agenda will not be soon enough for this emergency situation.

## Section 810.37 Definitions for Site Specific Sportfishing Regulations

- a) Site Specific Regulations are listed by water area affected. The coverage of the regulation is dictated by the extent of the water area listed and not by the county. In some cases, regulations for a given water area or site may extend beyond the county(ies) listed. The county(ies) listed refer to the location of the dam or outfall for impoundments or mouths of small streams. Since large rivers or streams usually flow through many counties, the term "Multiple" is used rather than listing all counties where the large stream or river flows.
- b) The subsections listed below are referred to by number in Section 810.45. Each water area listed in Section 810.45 has numbers in parenthesis which explain all of the definitions in this Section which apply to that water area.
- 1) Anglers must not use more than 2 poles and each pole must not have more than 2 hooks or lures attached while fishing, except that legal size cast nets, (in accordance with subsection 810.50(a)(1)) shad scoops, and minnow seines may be used to obtain shad, minnows, and crayfish to use as bait, provided that they are not sold.
  - 2) Includes white, black, or hybrid crappie, singly or in the aggregate.
  - 3) All largemouth and smallmouth bass taken must be less than 12 inches in total length or greater than 15 inches in total length.

8) Reason for Emergency: Effective November 29, 1994, Public Act 88-669 created the Tax Freeze Homestead Exemption by adding Section 15-172 to the Property Tax Code. The application deadline for the exemption was December 1, 1994. Due to the two-day application period for 1994, eligible taxpayers did not have an adequate opportunity to avail themselves of this exemption. The Section was amended by Public Act 88-682 which changed the application date for the 1994 assessment year to February 15, 1995, in counties other than Cook and left the period to the discretion of the County Assessor in Cook County. The Department is required to promulgate a rule establishing a method for verifying affidavits which are part of the application for the exemption. Since applications are now being received by assessors, it is important that the rule be in place immediately.
